ESX-21

Description

Bishamon ESX Series scissor table are fully adjustable, weight sensitive, self-leveling, mobile positioners. The ESX models offer a range of 175 to 880 pounds capacity with a raised height up to 31 1/4 inches. Easily accessible control knob provides for infinitely adjustable weight setting within the capacity range.

Standard Features

- Load weight compensation
- Single or dual spring models
- Easily accessible gauged weight-selector knob
- Heavy-duty maintenance scissor-lock pin
- High quality casters with brake
- Steel work platforms
- Rugged polyurethane wheels with brake
- Rugged construction, with heavy-gauge steel and sturdy welds throughout

- Clean design with minimum of maintenance requirement
- Surfaces cleaned and a baked enamel finish applied

Limited Warranty Policy

1 year replacement on materials and manufacturing process. Please refer to actual Warranty for specific details. Specifications subject to change without notice

SkidLeveler

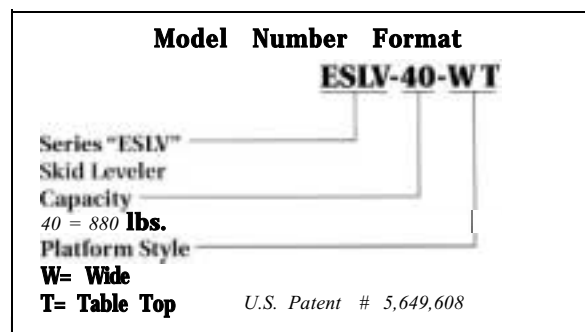

ESLV Series Mobile Work Positioners

New Product!

**Heavy-Duty,
Hydraulic Spring-Actuated
880 lb. Lifting Capacity
484 lb. Self-Leveling
Capacity
Wheel-Mounted,
For Surface Use**

ESLV-40

Description

Bishamon ESLV Series Skid Leveler is a combination skid lift and self leveling positioner. By simply pressing a lever, the operation can switch from lifting mode to leveling mode. The lifting mode will raise a maximum of 880 pounds to a fully raised height of 32 1/4 inches. The leveling mode will cause the forks to automatically raise or lower as weight changes.

Standard Features

- Load weight compensation
- 880 lbs. lifting capacity
- Easily accessible hand and foot controls
- Heavy gauge steel and sturdy continuous welds throughout
- Twin heavy-duty lifting chains with 2 to 1 lifting ratio
- Locking foot brake

- 29 1/2 inch travel range
- Forks lower to 3 1/4 inches
- Surfaces cleaned and a quality baked enamel finish applied

Limited Warranty Policy

1 year replacement on materials and manufacturing process. Please refer to actual Warranty for specific details. Specifications subject to change without notice
