Wide Base Light Duty Lifts

Portable and Stationary Models

Designed for light capacity applications requiring greater side loading support and wider platform sizes. Wide Base Light Duty Lift Tables have 36" wide base and top (standard units are 24" wide). These tables allow for oversize platforms, larger turntables and other accessories to 48" wide.

- **Capacity:** 1000 and 1500 lbs.
- **Travel:** 24" and 36" vertical travel
- **Base widths:** 36" (standard is 24")
- **Battery, electric (AC) and foot operated:** specifications are the same as standard models.
